Torn Hawk  
| "Union and Return" | Mexican Summer | 2016

Torn Hawk  
| &rdquo;Union and Return&rdquo;(| Mexican Summer | 2016

Luke Wyatt  
aka Torn Hawk reside en Berlín y es allí donde grabó el álbum "Union and  
Return";.

Este es  
el segundo álbum de Torn  
Hawk en Mexican Summer  
después de "Let's Cry And Do Pushups At The Same Time"; [2014].

La música  
de Torn Hawk bebe del pop, post-rock, ambient, jazz y hace una curiosa  
amalgama. Su guitarra flota en el ambiente generando una cálida atmósfera que

se rompe con los ritmos entrecortados y las improvisadas notas de piano.

Las canciones de &rdquo;Union and Return&rdquo; parece que tuvieran una dirección determinada, sin embargo, sorprende con los distintos quiebres que propone. Su desarrollo no es lineal sino aleatorio. (

&ldquo;Die Swimming in The Sea Here&rdquo; que cierra este álbum es un buen aliciente por su bella armonía y para seguir descubriendo la música de este artista.

Torn Hawk  
aka Luke Wyatt lives in Berlin and is where he recorded "Union and Return" album.

This is  
the second album by Torn Hawk on Mexican Summer after "Let's Do Pushups Cry And At The Same Time" [2014].

Torn Hawk's  
music drinks of pop, post-rock, ambient, jazz and makes a weird amalgam. His guitar floats in the atmosphere creating a warm atmosphere that breaks with the staccato rhythms and improvised piano notes.

The songs  
of "Union and Return" seems to have a certain direction, however, it amazes by its various breaks proposed. Its development is not linear but random.

"Die Swimming  
in The Sea Here" which close the album provide of a good incentive for their beautiful harmony and to continue discovering the music of this artist.
