Synchre | “Requiem” | Attenuation Circuit | 2016

Los artistas sonoros italianos

Luca Cenciello y Lorenzo Brusci tienen una gran trayectoria en los campos del audio, la música y la composición para distintas formas de arte. Bresci vive entre Berlín, Cracovia y la Toscana y Cenciello reside en Berlín.

“Requiem”, editado el sello alemán

Attenuation Circuit, consiste en un solo tema con tres movimientos: “Movement 1

– Living Elegy”, “Movement 2 – 13’30”_Nostalgia” y “Movement 3 –

Transfiguration”.

Esta es una propuesta avant-garde de improvisación donde se combinan elementos de la música clásica, la electrónica experimental y el ruido.

La música es abstracta y oscura e intensa pues cada sonido que emerge es impredecible e inquietante.
