Itoko Toma | "When The World Will
Mix Well" | Schole Rec. | 2017

Este es el segundo album de la pianista y vocalista japonesa Itoko Toma que combina formas clásicas atisbos al pop. Como siempre la edición es muy cuidada con preciosas fotos y se acompaña de un CD compilatorio con canciones previamente editadas de Akira Kosemura, Quentin Sirjacq, Paniyolo, Dakota Suite e Itoko Toma.

Akira Kosemura que es productor de este disco compone la canción "Fantasia"; y el compositor y pianista francés Quentin Sirjacq, compone la canción "When The Word And The Heart Will Mix Well". También colaboran en este disco músicos invitados en el segundo

violín, viola, violonchelo, contrabajo y guitarra con pedal.

Todas las canciones están cuidadosamente arregladas con su frágil y celestial vox y elegantes notas de piano.

Schole Rec. es garantía de una música parsimoniosa y extremadamente delicada.
