Verge | "Emblematic Ruin" | Avian | 2017

El productor irlandés Andre Gough aka Verge edita su primer disco en Avian, un EP de ocho temas en los que se hacen algunos guiños al techno en su variante industrial, combinando la electrónica actual y oscura de ritmos pulsantes que se edita en sellos como Hospital Productions, Blackest Ever Black y Shifted.

Andre Gough se acompaña de dispositivos electrónicos, guitarra y elementos acústicos.

“Emblematic Ruin” se mueve por laberintos oscuros cuyas son melodías sombrías. Los bombos entrecortados marcan un ritmo constante pero controlado y el ruido abrasivo de la guitarra despliegan una atmósfera perturbadora.

Todos los temas están cuidadosamente realizados procurando que a partir de sinuosas y retorcidas melodías, producir una música interesante y provocadora.
