Orghanom | "Retrospectre" | Time Released Sound | 2017

Orghanom | &ldquo;Retrospectre&rdquo; | Time Released Sound | 2017

Sergio Calzoni aka Orghanom es un músico y productor italiano quien edita su segundo disco en el sello con base en Alameda, California Time Released Sound, dirigido por Colin Herrick. Calzoni en los '90 tuvo los proyectos Alma Mater, Act Noir, Colloquio.

Este sello se caracteriza por realizar ediciones limitadas hechas a mano y tal es el caso de este CD del que se publican 100 copias.

Sergio Calzoni: dispositivos electrónicos, guitarra, piano y grabaciones de campo, Maria Grigoryeva en violín, viola, Lyudmila Kadyrbaeva en chelo, Tom Moth: arpa, Josh Plotner en clarinete y Andrea Barbieri en saxofón.

'Retrospectre' ofrece ocho piezas de ambient con arreglo de cuerdas que le dan un matiz nostálgico.

Los dos videos ilustran muy bien el carácter romántico de este disco que nos muestran bellos paisajes.

(Sergio Calzoni aka Orghanom is an Italian musician and producer who releases his second album on Alameda-based label Time Released Sound, run by Colin Herrick. In the 90's Calzoni worked in his projects under the monikers of Alma Mater, Act Noir, Colloquio.

This imprint is characterized by producing handcrafted releases in a limited run and such is the case of this CD of which 100 copies are published.

In this álbum Sergio Calzoni plays guitar, piano, field recordings plus guest musicians, Maria Grigoryeva: violin, viola, Lyudmila Kadyrbaeva: cello, Tom Moth: harp, Josh Plotner: clarinet, Andrea Barbieri: saxophone.

&ldquo;Retrospectre&rdquo; offers eight ambient pieces with string arrangement that give it a nostalgic shade.

The two videos illustrate very well the romantic character of this album that show us beautiful landscapes.
