Noémie Dal es una cantautora alemana residente en la bella ciudad de Mainz.

Las canciones de Noémie son a base de guitarra y armonio que pronuncian delicadas notas, junto a una voz dulce y nostálgica. En ocasiones se agregan grabaciones de viento. No alcanzo a distinguir sus letras que adornan sus canciones folk y que canta a pulso y con

mucho sentimiento.

La producción lo-fi de este LP es el perfecto escenario para esta música intimista, sin pretensiones, simple, pero muy sincera.
