Rubén Vale aka Swoop and Cross compositor y productor portugués actualmente radicado en Londres, Reino Unido hace su debut en el sello de California Time Released Sound dirigido por Colin Herrick.

"Stories of Disintegration" es una de las primeras ediciones limitadas esta vez en formato vinilo. Sólo son 60 copias (versión de lujo) cuidadosamente realizadas artesanalmente como es el sello distintivo de esta casa discográfica.

Este disco consta de ocho canciones que fueron grabadas entre 2015 y 2017 en Cambridge y Londres (Reino Unido) y Bad Gastein (Austria).

La música de combina arreglos de música clásica junto a la electrónica y ambient creando bellas atmósferas.

Vale despliega su creatividad musical en dos largos temas de alrededor de 20 minutos en los que se devela la armonía y parsimonia de las notas de piano, junto a tenues líneas de teclados ambientales.

Básicamente es

el piano el que tiene el gran protagonismo en este disco cuya elegancia es sobrecogedora.

Portuguese and
London-based composer and musician Rubén Vale aka Swoop and Cross have released his debut album on California
based Time
Released Sound run by Colin Herrick.

"Stories of Disintegration" is one of the first limited
editions on "milky clear" vinyl. There are only 60 deluxe carefully crafted copies as is the hallmark of
this imprint.

This album consists of eight songs recorded between 2015 and 2017 in
Cambridge and London (United Kingdom) and Bad Gastein (Austria).

Swoops And Cross blend classical music electronica
and ambient producing gorgeous atmospheres.

Vale deploys his musical creativity in two long tracks of around 20 minutes each in which the harmony and parsimony of the piano notes is unveiled, together with tenuous lines of keyboards which the result is a peaceful ambience.

Basically it is the piano that has the great prominence in this album whose elegance is overwhelming.
