Benjamin Finger & James Plotkin | "We Carry the Curse" | Roman Numeral Records | 2020

Este es la segunda colaboración entre ambos artistas después de “Pleasure Voltage” [2019].

Benjamin Finger es compositor, productor de música electrónica, DJ, fotógrafo y cineasta. James Plotkin es un artista, músico y productor, ingeniero de audio conocido por su trabajo en bandas como OLD, Khanate, Phantomsasher, Scorn y Khlyst.

“We Carry the Curse” consiste en cuatro piezas que transitan entre el ambient, el drone y los paisajes sonoros que crea produciendo atmósferas oscuras. Esto último se evidencia en “The Untold Wake” con sus hipnóticas líneas de sintetizador.

Benjamin Finger y James Plotkin son dos maestros que esculpen con sus mejores materiales para dar forma a una experiencia sonora, envolviendo al oyente entro lo apacible e inquietante.
